

H U D S O N R I V E R

Copy of pencil notes on Accession No. 2424.

Nov. 1st 1869.

(Copy) John J. Serrell.

This map, as far as colored, was adopted Nov 3rd 1869 including the streets covered by subsequent adoption of Parade Ground.

The Kingsbridge Road from 161st St. to Harlem River was adopted about the latter part of Aug 1867.

From A to B there is an apparent error in the map adopted, as the map from which the monuments were set shows the street 50 ft. wide instead of 60 ft.

There is an apparent similar error at C. The monuments as set conforming to different lines from those shown on adopted map.

At D there is a discrepancy between the adopted map & the map from which the Monuments were set.

Dec. 23, 1873.
